Don't Miss: May 31-June 6

May 30, 2014 7:27 p.m. ET

'Stainless' is made of clay, graphite, steel and wood (2012). *Melissa Stern/Akron Art Museum*

Figures of Speech

Akron Art Museum, Akron, Ohio, until July 6

For "The Talking Cure," artist Melissa Stern created 12 sculptures of simplified human figures and asked a dozen writers to interpret each work. Visitors to the show can listen to the resulting monologues, read aloud and recorded by voice actors.
